I. General

A. History

The Workforce Innovation and Opportunity Act (WIOA) was passed into law on July 22, 2014. WIOA is designed to help job seekers access employment, education, training and support services to succeed in the labor market, and to match employers with the skilled workers they need to compete in the global economy. Congress passed the Act by a wide bipartisan majority; it is the first legislative reform in 15 years of the public workforce system.

Section 129 of WIOA specifically outlines activities that focus on longer-term academic and occupational learning opportunities for eligible youth. The Youth Council of Northwest Central Illinois Works is interested in funding projects that will incorporate these activities and will be tailored to meet the needs of youth in Local Workforce Investment Area 4 (LWIA 4).

B. Intent and Purpose of the Request for Proposal

The Workforce Innovation and Opportunity Act expands available services to youth, including youth development activities that provide a holistic approach to meeting the needs of this emerging population. The WIOA Youth Program encourages local projects that address the needs of eligible youth and support all aspects of the youth's life while also preparing him/her to succeed in the world of work and focusing on career paths and long term goals.

The services provided through this RFP must target out-of-school youth between the ages of 16 and 24 who by definition fit an out-of-school youth not attending school (as defined under State law), and one of the following – a school drop-out, a youth who received a secondary school diploma or HSE who is low income and is either basic skills deficient or an English learner, an individual who is in the court system, a homeless individual, a parent or pregnant youth, an individual with a disability, or a low income individual who requires additional assistance to enter or complete an educational program or to secure or hold employment. This RFP is intended to allow providers to create their own program design that will meet the needs of WIOA eligible students and accomplish the performance goals set forth.

WIOA emphasizes non-duplication of services among workforce partners so if a proposal is written to include services that are offered through a partnering program, please explain how duplication of services are not being offered.

WIOA partners include: Adult Education; IDES with Wagner Peyser, Trade Readjustment Act, Unemployment Insurance, Migrant and Seasonal Farmworker and Veteran's program; Department of Human Service Rehabilitation Services; Carl Perkins/CTE; CSBG (Tri-County Opportunities Council and Northwest Illinois Community Action Agency; Senior Community Services Employment Program; DHS/TANF

The strategy for the **out-of-school** youth is employment experiences and opportunities based on the performance outcomes. To carry out this strategy, the following goals have been identified in LWIA 4:

1. To encourage school drop-outs to return to school or attain a HSE certificate or a Credit Recovery program
2. To encourage post-secondary school training where appropriate
3. To provide adequate preparation for entry into the workforce through:
 - a. Exposure to labor market/career exploration information

- b. Work readiness instruction including soft skills
- c. Building social interactions skills such as self-esteem, communication, teamwork, etc.

Priority is given to proposals that meet ALL of the strategies and implement the program elements to meet these strategies. A well detailed plan explaining those elements will help to assure the reader/rater has full understanding of the proposal.

C. Funding

A portion of our Youth WIOA funding will be used to accomplish the purpose of this RFP. Bidders may apply for one or more WIOA Youth Projects; however, each project must be submitted separately. Every effort will be made to award contracts for any and all projects deemed as meeting the intent of this RFP. In the event that the total amount of successful projects exceeds the amount of funding initially set aside for this purpose, one or more successful bidder(s) may be asked to negotiate the costs of the project(s).

D. Duration

Contracts will be awarded by July 1, 2020. All projects should end on or before June 30, 2021. An extension of up to one year may be granted if the need for the project continues to exist, the provider is on target to meet project goals and applicable WIOA performance measures, adequate funding is available and approval is granted by NCI Works.

E. Inquiries

Any inquiries should be addressed to Sally Hanrahan of Business Employment Skills Team, Inc. at (815) 288-1260 or by email at sally_hanrahan@best-inc.org.

F. Submittal/Proposal

An electronic version must be emailed to joann_johnson@best-inc.org. Proposals must be received by **3:00 p.m. on March 12, 2020**. Any proposal received after the deadline will not be reviewed. Proposals will not be accepted by fax.

II. Project Description

As stated earlier, Section 129 of WIOA specifically outlines allowable activities for eligible youth. These program elements are:

- **Tutoring, study skills training, and instruction leading to secondary school completion, including dropout prevention strategies;**
- **Alternative secondary school offerings;**
- **Summer employment opportunities directly linked to academic and occupational learning;**
- **job shadowing;**
- **Leadership development opportunities, which may include such activities as positive social behavior and soft skills, decision making, team work, and other activities;**
- **Supportive services;**
- **Adult mentoring for a duration of at least twelve (12) months, that may occur both during and after program participation;**
- **Follow-up services for at least 12 months after completion of participation;**
- **Comprehensive guidance and counseling, including drug and alcohol abuse counseling, as well as referrals to counseling, as appropriate to the needs of the individual youth.**
- **Financial literacy education**
- **Entrepreneurial skills training**
- **Services that provide labor market and employment information about in-demand industry sectors or occupations counseling and career exploration services**

In order to be considered for an award, **proposals must address ALL of these elements and must describe in detail how the youth will access the service/activity and how the services will be provided** along with how each element is tied to the Out-of-School Strategies listed on page 3. Any of the services and activities that will be offered may be made available only to eligible youth who live in Bureau, Carroll, Jo Daviess, LaSalle, Lee, Ogle, Putnam and Whiteside Counties, although it is entirely possible that the proposed project will target only a portion of this geographic area. In order to assure that all youth in LWIA 4 have the same opportunity to benefit from any WIOA-funded programs, Northwest Central Illinois Works encourages respondents to this RFP to propose projects that will cover as much of the eight-county area as possible.

Youth to be served in a project will be enrolled in the WIOA Youth Program and must meet the eligibility guidelines listed on Attachment A of this proposal. BEST, Inc. staff will be responsible for eligibility determination, objective assessment, development of individual service strategies and final determination of appropriateness for project. The total number of youth participating in the project will vary according to services to be provided and the youth determined to be in need of those services.

Project proposals will contain the following:

1. Well-defined mission statement
2. Written job description(s) for any staff that will be a part of this project. An explanation of how each position will coordinate with the BEST, Inc. Career Advisor should also be included.
3. The screening process and suitability criteria for selection of staff. This could include character references, child abuse or sexual offender check, driving record and criminal record check, personality profile, skills identification, level of education, career interest and the ability to understand the needs of WIOA-eligible youth.
4. A detailed plan for recruiting and referring eligible youth to participate in the project. Include the anticipated number of youth to be served by this project and the expected outcomes to be achieved by the end of the project. Provide the number, and anticipated outcomes for these youth.
5. An Operational Plan that addresses the following areas:
 - *Level of commitment* to the project, such as time, staff, in-kind service, and/or agency's other resources
 - *Identification and description* of the fourteen WIOA youth activities that will be used directly in the project, as well as those that will be indirectly linked to it
 - *Documentation* for recording direct contact with the youth, as well as contact between project staff and BEST, Inc. staff. BEST, Inc. staff will meet with and provide the project staff with the goals and objectives that have been developed for each youth in their Individual Service Plan.
 - *Quarterly reporting*, both content and format, that outlines project activity, progress to date and at least one success story to be submitted by project staff.
 - *Orientation* for youth that provides a project overview, outlines expectations, restrictions, accountability, benefits and rewards. BEST, Inc. staff will assist in the development of the orientation.
6. Goals and Objectives of the project and their relationship to the goals identified for WIOA-eligible youth. The proposal must also explain how these goals and objectives will lead toward the attainment of the federally-established performance measures include:
 - The percentage of program participants who are in unsubsidized employment/post-secondary education during the second quarter after exit from the program
 - The percentage of program participants who are in unsubsidized employment/post-secondary education during the fourth quarter after exit from the program
 - The median earnings of program participants who are in unsubsidized employment during the second quarter after exit from the program
 - The percentage of program participants who obtain a recognized postsecondary credential or a secondary school diploma or recognized equivalent during participation in, or within one year after exit from the program
 - Percentage of program participants who, during a program year, are in an education or training program that leads to a recognized postsecondary credential or

employment and who are achieving measurable skill-gains toward such a credential or employment.

Each proposal will be rated and scored on how the plan defines the outcomes for these measures. Additional goals such as enrollment and IEP completions will be looked at each contract year and will be taken into consideration when approving extensions and/or new proposals.

- 7. Describe how this program is relevant in the community and give examples of how the community is in need of this program. Give numbers where possible and backup documentation.**
- 8. Describe a plan of action for enrolled youth to stay engaged in activities until Employment or Post-Secondary outcomes are achieved.**
- 9. Describe how the program will support placement in unsubsidized employment? Either through their own activities or by referral to BEST BRR placement.**

IV. Guidelines for the Preparation of the Proposal

The proposal **must** be typewritten, on one side of standard sized (8-1/2" x 11") unruled paper. All proposals **must** be assembled according to the following outline:

- A. Cover Sheet
- B. Table of Contents
- C. Executive Summary (1- 2 pages)
- D. Information on Bidder
- E. Narrative Description
- F. Past Demonstrated Effectiveness
- G. Cost Information
 - 1. Budget Worksheets
 - 2. Certification/Agreement Sheets

Please read and follow the guidelines. Proposals that are not in compliance with the guidelines provided in this RFP may not be considered for funding. Specifications along with comments and suggestions that will appear in *italicized* print are presented on the following pages.

Although BEST, Inc. reserves the right to negotiate the price and terms of any proposal, bidders should submit their proposals on the basis of their best offer since an award may be made solely on the initial submission.

A. Cover Sheet

- 1) Complete all items of information on the cover sheet.
- 2) Include the cover sheet as the first item in the proposal

Comments and Suggestions: The cover sheet is the identification tag for the proposal. Be sure that all the information has been completed accurately.

B. Table of Contents

- 1) Indicate all headings and subheadings with appropriate page numbers.
- 2) List all appendices by title and page number. For ease of the reviewer, appendices should be inserted at the end of the appropriate section rather than at the end of the entire proposal.

C. Executive Summary

Prepare a brief (1-2 pages) abstract that summarizes the **key** points regarding the completion of this project.

Comments and Suggestions: The summary is probably the first thing that will be read. It should be clear, concise and specific. It should identify the proposer, the activities and services, the number of out-of-school youth and the projected cost for the project. It should also briefly describe the approach for performing project activities and producing the project deliverables identified in Section II. This section is not intended to provide detailed information regarding delineation of tasks to support completion of the project - this type of detailed information should be provided in part E of the proposal.

D. Information on Bidder

- 1) Provide an explanation of the bidder's experience and background which demonstrates that it has the necessary expertise to successfully carry out the objectives and achieve the goals of the proposed project. Additionally, indicate any experience or the extent to which the organization is familiar with a) the WIOA program and related regulations, and b) strategies and/or program design for serving youth.
- 2) Provide information as to the organization's size and structure as well as the length of time in business. If applicable, indicate if organization is a minority or female owned and operated business.
- 3) Provide brief resumes indicating qualifications of staff members to be assigned to perform services requested. Identify the individual to serve as project liaison.
- 4) Indicate the number of hours each staff assigned to the project will devote to the project.

- 5) Identify references who can be contacted regarding the organization's quality of work on similar projects and capabilities in general.
- 6) Provide a time line demonstrating the planning, implementation and completion of the project.

Comments and Suggestions: This section primarily serves to provide assurances to Northwest Central Illinois Works, the Youth Council and BEST, Inc. that the selected bidder will provide quality services. Specifically, that personnel designated to complete the project and accomplish project deliverables possess the necessary qualifications and experience.

E. Narrative Description

This section should provide a detailed narrative description of the entire project. Specifically, it should describe how each of the program elements listed in Section II (Project Description) will be delivered and how the outcomes within those activities will be achieved. It should also address in detail how non-duplication of services among workforce partners is ensured. WIOA partners include: Adult Education; IDES with Wagner Peyser, Trade Readjustment Act, Unemployment Insurance, Migrant and Seasonal Farmworker and Veteran's program; Department of Human Service Rehabilitation Services; Carl Perkins/CTE; CSBG (Tri-County Opportunities Council and Northwest Illinois Community Action Agency; Senior Community Services Employment Program; DHS/TANF

This section should also address how the goals and objectives listed in Section II. B. 6 will be achieved. A Project Schedule should be included which will provide a time line for planning, implementing and completing the project. This schedule will also be utilized to detail the sequence in which the desired activities and services will be completed.

The Narrative Description should indicate the planned number of youth to be served by the project. Proposals should indicate an enrollment schedule, including the final date new enrollments will be accepted into the project.

In order to make sure that eligible youth are provided every opportunity to succeed, it may be necessary to continue the enrollment of a youth into a following year's project. If the proposer is going to exercise this option, a brief description of the following should be included in the narrative:

1. The number of youth who will be "carried in" from the previous year's project
2. The reason why additional time and services are needed
3. The ongoing/additional services that will be provided and how they will benefit the youth
4. The outcomes/goals that are expected to be achieved as a result of continuing enrollment, as well as an estimated completion date for achieving them.

F. Past Demonstrated Effectiveness

The proposer should provide a brief description of the previous project(s) administered under the Workforce Investment Act/Workforce Innovation & Opportunity Act (WIA/WIOA), including the following:

- 1) Evidence (e.g., numeric data, achievements, success stories, etc.) that the previous project's stated goals and any applicable WIA/WIOA Performance Measures were achieved. If the project is not yet completed, present an assessment of the status towards meeting the project's stated goals and any applicable WIA/WIOA Performance Measures. (NOTE: If WIA/WIOA Performance Measures apply, results must be included, either by the bidder or by the BEST, Inc. Project Liaison.)
- 2) Changes, if any that will be made to the way services were delivered in the previous project(s) and explain how those changes will contribute to increased successful outcomes for the youth in the proposed project. (This section MUST be completed for the new performance measures.)

G. Cost Information

- 1) Using the forms in Section V. Budget Worksheets, develop a budget that supports the proposed cost for performing project activities and completing project deliverables. Include both the total hours and the hourly rate for each staff position under this project.
- 2) Provide a statement that recognizes invoices for payment will be submitted on a monthly basis unless prior approval for an alternative schedule is obtained from the grantor. Include a payment schedule of estimated expenditures by quarter. The schedule should clearly reflect payments for the period of July 1, 2020 through June 30, 2021.

EVALUATION CRITERIA

Evaluation of each proposal will be based on the following criteria:

- | | |
|---|----------------------------|
| • Adherence to RFP guidelines | Required for Consideration |
| • Project Content/Proposal Guidelines | 60 Points Maximum |
| • Information on the Bidder/Past Demonstrated Effectiveness | 20 Points Maximum |

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the Department of Labor's (DOL) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the DOL determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the DOL may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DOL if at any time the prospective primary participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction", "debarred", "suspended", "ineligible", "lower tier covered transaction", "participant", "person", "primary covered transaction", "principal", "proposal", and "voluntarily excluded", as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the

eligibility of its principals. Each participant may, but is not required to, check the List of Parties From Procurement or Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier-covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the DOL may terminate this transaction for cause of default.
